Verse 2:

A servant only shares the portion of his Lord.
 You can be assured,
 Men will hate you as they've hated Me.
 The time is coming when they'll think they do
 God's will by killing you
 But he who's faithful to the end is saved!

Verse 3:

Living Water welling up from deep within.
 Forgiveness of your sin!
 The Tree of Life to eat from as you wish.
 A hundred times more than you'll ever lose...
 My gift to those who chose
 To reject the trinkets of this world!
